Sex M | Date of birth 16/04/1981

WORK EXPERIENCE

March 11st, 2020 – ongoing

Deputy director for international cooperation

Institute of Forestry-Belgrade, Serbia

Establishing international cooperation and concluding agreements on international cooperation in the field of forestry and environmental protection, cooperation with partners from abroad and applying for international projects

WORK EXPERIENCE

September 1st, 2019 – ongoing

Research associate

Institute of Forestry-Belgrade, Serbia

Organization and economy in forestry, Management of forest resources and protected areas, Environmental management, Forest condition monitoring

WORK EXPERIENCE

September 1st, 2009 – 2018

Research assistant

Institute of Forestry-Belgrade, Serbia

Organization and economy in forestry, Management of forest resources and protected areas, Environmental management, Forest condition monitoring

WORK EXPERIENCE

October 1st, 2002 – October 1st, 2005

Technical assistant

International association for the exchange of students for technical experience-Belgrade, Serbia

Exchange of students with technical experiences

EDUCATION AND TRAINING

October 1st, 2009 - January 1st, 2018

(Dr) Doctor of biotechnical sciences

Chair for economy and organization in forestry, Faculty of Forestry, University of Belgrade

EDUCATION AND TRAINING

February 1st, 2007 - March 1st, 2009

(Msc) Master of forest policy and economy

Forest policy and economy programme (FOPER), Faculty of Forestry, University of Belgrade and Faculty of Forestry, University of Sarajevo

EDUCATION AND TRAINING

September 1st, 2000 – February 1st, 2007

(Bsc) Graduated Engineer of Forestry – Forestry

Faculty of Forestry - University of Belgrade, Department of forest management planning

PERSONAL SKILLS

Mother tongue(s) Serbian

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C2	C2	C2	C2	C2
German	A2	A2	A2	A2	A2

Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user
Common European Framework of Reference for Languages

Communication skills Good communication skills acquired in the course of the student exchange programme coordination and through conducting interviews and questionnaires for the projects in the field of forest policy

Organisational / managerial skills Organizing skills
A team player willing to work with other members of the team
Hardworking, dynamic, responsible, resourceful

Computer skills Advanced level of proficiency in a number of computer applications (including Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Microsoft Access) and specific programs such as SPSS, MAQDA, Adobe Photoshop and CorelDraw

Projects

1. Development of technological procedures in forestry in order to attain optimum forest cover, Ministry of Education, Science and Technological Development, Republic of Serbia (2012-ongoing).
2. Improvement of existing training programs and methods of testing the knowledge of hunters prescribed by the Law on game and hunting, as well as other participants that are important for the realization of sustainable management of hunting grounds in Serbia,

Ministry of Agriculture, Forestry and Water Management - The Forest Directorate (2019-2020).

3. Assessing and monitoring the impact of air pollution and its effects on forest ecosystems in the Republic of Serbia, excluding Vojvodina (Level 1) and the implementation of intensive monitoring (Level 2) in locations that are in NP "Kopaonik management unit" Samokovska river, sites located in the area of "Srbijašume " FE "Uzice," MU "Mokra Gora - Panjak" and FE" Timocke sume" Boljevac Mu" Crni Vrh ", Ministry of Agriculture, Forestry and Water Management - The Forest Directorate (2009-ongoing).
4. Fertility status of agricultural land, determination of the content of toxic elements, nutrition elements and soil erodibility in the area of Topola municipality, Ministry of Agriculture, Forestry and Water Management - Directorate for Agrarian Payments (2019).
5. Analysis of the hunting planning system in the Republic of Serbia with proposals for its improvement, Forestry and Water Management - Directorate for Agrarian Payments (2018-2019).
6. Forest Land Ownership Changes in Europe: Significance for Management and Policy- COST Action 1201 (FACESMAP), (2013-2018).
7. Capacity building in Forest policy and Governance in Western Balkan Region - COST Action 1401, (CAPABAL), (2014-2019)
8. Adriatic Model Forests (AMF)-IPA CBC Programme (2012-2015).
9. Analysis of the organization in the management of protected areas in the Republic of Serbia, Ministry of Agriculture, Forestry and Water Management - The Forest Directorate (2011 - 2012).
10. Consolidation of the Human Capacities in Forest Policy and Economics Education and Research in the South-East Europe Region (FOPER II), EFI (2009 -2014).
11. Governance assessment in the management of protected areas in the South Eastern European region (PAGOV), FOPER, European Forest Institute (2010-2013).
12. Governance assessment in the management of protected areas in the South Eastern European region (PAGOV), FOPER, EFI (2010-2013).
13. Citizens and urban forest governance in South East Europe: Case studies in selected cities (FORCITY), FOPER, EFI (2010-2013)

Seminars

1. University of Sarajevo, Faculty of forestry - Certification in forestry, Bosnia and Herzegovina (October, 2003)
2. University of Freiburg - Mechanization in forestry, Germany (September 2004)
3. Faculty of forestry, Sarajevo - Strengthening capacities in education, training for forest policy and training for forest policy and economic development in Western Balkan region, Bosnia and Herzegovina (January 2005)
4. University of Belgrade, Faculty of forestry - South European Regional Meeting-International Forestry Student Association, Serbia (April, 2005)
5. University of Belgrade, Faculty of forestry - Legal aspect of European forest sustainable development (May, 2005)
6. United Nation Forum on Forests, United Nations forum on forests UNFF5, New York (May, 2005)
7. University of Zagreb, Faculty of forestry – UNFF follow up meeting, Zagreb (October, 2005)
8. FOPER - Science policy interface training: forest conflict research, Zagreb (January, 2009).
9. FOPER - Research Methodology, Croatia (December, 2009).
10. French National Institute for Agricultural Research (INRA) - International Forestry and Global Issues, France (May, 2010)
11. FOPER – Forest policy and education training, Albania (May, 2010)
12. FOPER – Research design and methodology school, Croatia (July, 2010)
13. AGORA – Adapting Mediterranean forests to climate change, Tunisia (September, 2010)
14. FOPER – Statistics and SPSS, Serbia (December, 2010)
15. FOPER Management effectiveness evaluation in Protected areas - Approaches and Methodologies, Sarajevo (October 2011).
16. FOPER - Forest law in a perspective of governance, Bosnia and Herzegovina (November 2011).
17. FOPER, Political Ecology Theory, Croatia (March, 2011).

Lectures

1. University of Belgrade, Faculty of forestry - Financial analysis of the management in the National Park „Fruška Gora“/ Republic of Serbia (November 2009)-guest lecture
2. University of Belgrade, Faculty of forestry - Environmental Policy and Governance, Serbia (May, 2011) – teaching trainee
3. University of Belgrade, Faculty of forestry – Structure of financing revenues (2008-2012) of national parks in republic of Serbia, Serbia (November, 2013) – guest lecture
4. University of Belgrade, Faculty of forestry – Diversification of financial revenues in the management of national parks in republic of Serbia, Serbia (October, 2014)
5. University of Belgrade, Faculty of forestry – Management of forest resources-protected areas, Serbia (November, 2014)
6. University of Belgrade, Faculty of forestry – Management of protected areas: types and structure of management (March, 2015)- guest lecture
7. University of Belgrade, Faculty of forestry – Management of protected areas: process of establishing PA (October, 2015)- guest lecture
8. University of Belgrade, Faculty of forestry – Management of protected areas: process of establishing PA (September, 2016)- guest lecture

9. University of Belgrade, Faculty of forestry – Management of protected areas: process of establishing PA (September, 2016)- guest lecture

Additional professional work

1. Adriatic model forest, Split – Model forest strategic plan development (Jun, 2013)
2. International Scientific Conference, Sustainable use risks and challenges-Member of conference secretariat, Belgrade (October,2012)
3. 29th Task Force Meeting and Science Conference of ICP Forests - Member of conference secretariat, Belgrade (May,2013)
4. Citizens and urban forest governance in South East Europe: Case studies in selected cities-focus group meetings and questionnaire conduction (April 2012-September 2013)
5. Governance assessment in the management of protected areas in the South Eastern European region – in-depth interviews and questionnaire conduction (April 2012-September 2013)
